To Our Loyal Guests, Amazing Staff, & Loving Families and Friends

It is with very heavy hearts that, for just the second time in nearly 40 years, we must TEMPORARILY close The San Diego Pier Cafe.

We take tremendous pride in creating a secure and welcoming dining environment. This includes the safety and well-being of our guests and staff. We are listening to federal, state, and local leaders to temporarily suspend service at The San Diego Pier Cafe until March 31st, with the hopes to reopen on April 1st.

We consider our guests to be like family, and we will miss seeing you all. We thank you for your continued support, and hope to see you all very soon.

Sincerely,

The San Diego Pier Café Team
